

## **Job Title– Design Manager (Fabrication Drawings)**

**Industry:** Infrastructure / Engineering / Heavy Steel Fabrication

**Company:** M.G. Contractors Private Limited

**Location:** Varanasi - Near Airport

### **Position Overview**

We are seeking an experienced **Design Manager** to lead the fabrication drawings team for heavy steel structures. The role involves managing detailing activities, ensuring drawing accuracy, optimizing material usage, and coordinating with production and project teams.

### **Key Requirements**

- B.E. / B.Tech / Diploma in Mechanical / Civil / Structural Engineering.
- 8–12 years' experience in steel detailing & fabrication drawings (with 3–4 years in a managerial role).
- Proficiency in AutoCAD, Tekla, Bocad, SolidWorks.
- Strong knowledge of IS, AWS, AISC, BS & EN codes.
- Hands-on exposure to fabrication workshop practices.

### **Responsibilities**

- Lead and manage a team of engineers & draftsmen.
- Review, approve & release fabrication/shop drawings.
- Ensure accuracy in dimensions, welding/bolted connections & tolerances.
- Prepare BOMs, cutting plans & optimize material usage.
- Coordinate with Planning, Production, Quality & Erection teams.
- Maintain revision control and ensure compliance with codes & client specifications.

### **Key Deliverables**

- Error-free, shop-ready fabrication drawings.
- Optimized BOM & cutting plans for material savings.
- Timely release of drawings aligned with project schedules.
- Zero rework through accurate, practical detailing.

### **How to Apply**

Interested candidates may send their CV to **hr@mgcpl.com**. Only shortlisted candidates will be contacted.
